

2022 PROFESSIONAL LEARNING CONFERENCE August 11 & 12, 2022 • Delta Hotel, Dartmouth

LEADING FOR EQUITY: Creating a Community of Care

Participants will have an opportunity to engage with educational leaders across the province on topics related to inclusive and equitable leadership practices. A combination of in-person, virtual and French language sessions will focus on trauma informed and relational approaches, anti-racist education, data-informed decision making, well-being, school climate and neuro-leadership.

Please Note: This is an in-person event; however, there is an option to attend virtually. Please indicate how you wish to participate when completing the registration form via the link below.
